

### **JOE CERTA**

Artist Joe Certa began his comics career in the mid-1940s. He worked for DC throughout the 1950s and 1960s, drawing the Robotman and Captain Compass back-up features in *DETECTIVE COMICS*, and every one of the John Jones, Manhunter from Mars stories, which ran in issues #225-326 and continued in *HOUSE OF MYSTERY* #143-173. Much of his later work was for Gold Key on various horror and mystery titles, including the comics adaptation of the TV show, *Dark Shadows*. Certa died in 1986.

### **JACK MILLER**

Jack Miller was a DC editor from 1964-1969, handling such titles as *STRANGE ADVENTURES*, *INFERIOR FIVE*, *MANIAKS*, *WONDER WOMAN* and various romance titles. From the 1940s through much of the 1960s he also wrote comics, especially for DC, including such features as *Deadman*, *Blackhawk*, *Aquaman*, *Batman*, *Jimmy Olsen*, *Congo Bill*, and *John Jones, Manhunter from Mars*. He also wrote novels and nonfiction works, and some TV animation. Miller died in 1970.
